

2020 Draft SHOPP Highlight

No. 72: 4J860 – MRN 101 Tamalpais Drive OC

- Seismic restoration
- ADA upgrades: remove spiral staircases, relocate bus pads, avoid freeway ramp crossings near mainline
- Bike facilities: Class II bike lanes, green conflict zone markings
- Community-supported alternatives with bike/ped overcrossing on north side to be studied in next phase, would need additional funding
