

Lagunitas Walkabout

Monday, February 2, 2009

Present ó Wendi Kallins, SR2S, Amanuel, Haille, County DPW, David Parisi, SR2S, Larry Enos, superintendent, Goldie Curry, Principal, Patty Brockley, Team Leader, Carol Rebscher, parent, crossing guard (NAME?)

At crosswalk ó sun in people's eyes

Cars are speeding

Pedestrian activated light similar to Fairfax?

Shorten crosswalk ó first priority

Create a path along the berm to the community center

Kids cross at other end of community center lot to get to open (not at crosswalk) parents actually drop their kids there.

Community center ó kids run across parking lot.

Open service access road for bikes?

Along Lagunitas School Road ó

People parking there,

Cars going too fast.

Paint a center line.

Add a speed limit sign lower down the road so its visible right when people turn on the road.

Pathway up Lagunitas road is difficult, narrow bridge makes it expensive.

Education needed to get parents to slow down.
