

Sun Valley/ Davidson Issues

1	Issue	Suggestion
Woodland Ave Priority: High	Safety issue: Narrow road- many cars dropping off to Davidson, parked along Woodland, congested sidewalk	Create no parking between 7:30-8:30 on south side (Trinity side) of Woodland.
		Create no parking between 2:00-3:00 on North side (residential side) of Woodland.
		Sharrows with green painted asphalt
		Signage of bike route

2	Issue	Suggestion
2nd St Between East and Miramar Priority: High	Very narrow sidewalk	Physical barrier from road
	No safe road for bikes coming from West End or Sun Valley neighborhoods	Designated bike lane
	Fast traffic with no buffer zone	Widened sidewalk
	Fallen earth and overgrowth on sidewalk making less usable space.	Ideally make a retaining wall to support falling earth onto sidewalk
		Regular crew to cut back current fallen earth and overgrowth. Ensure all sidewalk is usable.

3	Issue	Suggestion
4th St and F St	No controlled crossing	Crosswalk
		Stop Sign
		Flashing Beacon
4	Issue	Suggestion
H St and Harcourt	No controlled crossing	Crosswalk
5	Issue	Suggestion
Center St Priority:Med/ High	Old road, hazardous for bike riding	Repave Center st
6	Issue	Suggestion
5th St at California	No controlled crossing	Crosswalk
		Stop Sign
		flashing beacon
7	Issue	Suggestion
Center St at J St	S/W corner sidewalk with no ADA ramp	Create an ADA compliant ramp.
